

REQUEST FOR INFORMATION (RFI)

ABC Tower Project - Document Control Test Document

Project Name	ABC Tower Project
Project Code	ABC-TWR
Document Type	RFI
Discipline	Civil
Document Number	RFI-CIV-002
Document Title	Clarification Required for Slab Opening Detail
Revision	0
Submission Date	20-06-2026
Submitted By	ABC Contractor LLC
Status	Submitted for Clarification

RFI Description

Kindly clarify the approved detail and dimensions for the slab opening shown in the civil coordination drawing. The contractor requires confirmation before proceeding with site execution.

Question / Clarification Required

Please confirm whether the slab opening size shall be maintained as per the latest architectural layout or revised according to the civil coordination drawing. Also confirm if additional reinforcement is required around the opening.

Attachments / References

1	Civil Coordination Drawing	CCD-CIV-015
2	Architectural Layout Reference	AR-LAY-022

Document Control Note

This test PDF is created for validating AI Document Controller Assistant dynamic folder routing. It should be classified as RFI and routed to folder 05_RFI.
